Part A: Pupil premium strategy plan

Statement of intent

Our objective for our disadvantaged pupils is to prioritise their achievement and maximise their potential. We have followed EEF Guidance relating to Pupil Premium and will use our funding to ensure that every class benefits from effective teaching and that children receive targeted academic support where needed. We will also address any other barriers to success, such as SEND, attendance, behaviour, EAL and social and emotional support. We want to ensure that all of our pupils have access to a wide range of experiences that will enhance their learning and deepen their understanding of the wider world and we will use some of our budget to fund this for pupils in receipt of pupil premium.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Some children are not at ARE for reading and writing
2	Access to a wide range of enrichment activities

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Outcomes for disadvantaged pupils

Our end of year data showed that 100% of pupil premium children reached ARE at the end of KS1 assessments.

All pupil premium children were offered a place at extra-curricular clubs – 80% of children took up the offer.

Children took part in trips to Bellingham Heritage Centre, Hexham Book Festival, Hindu Temple, Easter and Pentecost activities at Simonburn and swimming lessons. All children took part in partnership PE competitions.

SEMH issues were addressed and whilst there were 2 suspensions, support offered kept children in school and supported transitions to middle school.
