WHAT'S
NEW?

What is
happening
in school?

As you know, we are doing lots of work in school around diversity. Over the last 4 weeks we have had several assemblies about diversity where we have shared books and talked together. The children now know what the word means and are able to talk about the different ways that you can see diversity in the world and what a good thing it is. This week we took part in the Diversity Role Models workshop. We also created some fantastic art based on the work of the Mexican Artist, Victoria Villanova. She uses black and white images of all sorts of people of different ethnicities, ages, religions and decorates them with colourful yarn. We had a go ourselves!

,Green Team- We have been continuing our Green Team assemblies, where we talk about how we are getting on in school and discuss issues/ ideas with each other. Recently we have been thinking about how to make visitors to school feel welcome. When Kielder came to visit this week our Green Team leaders were at the door to welcome them in and show them where the toilets and coat pegs are. They performed their duties beautifully and we were very proud of them!

Diary Dates

Forest School is on alternate Fridays, beginning Friday 1st March.
