FOGS Halloween Movie Night

Class 1 and 2

Strange things have been happening in Class 1 this week. Our class Snow leopard has been sneaking around school once we have all left. Years 1 and 2 have been writing questions to find out what has happened. Reception have been keen to keep an eye on that naughty leopard and have been hunting for clues.

We are reading a book all about a gorilla that comes to life...so who knows what will happen next!

Class 2 loved their Restoring Ratty trip. Mrs Johnston was very proud of how interested and engaged they all were. They have also had their first pocket trumpets lesson. It sounded pretty good!

Fantastic Fundraising

and jelly stall and raised £51.78. Amazing and very delicious looking!

Raffle tickets are on sale for our Curry night raffle, but Zen and Suki have also been fundraising for school. They had their very own lemonade
