Fantastic FOGS!

We are so grateful to FOGS for all the hard work they put in raising funds for the school. The recent comedy night raised £282.53. A huge thanks to FOGS for arranging it and for all of those who were able to support the event. Since September we have used FOGS money to buy equipment for playtimes. The children are really enjoying making walkways and obstacle courses and also building dens. You will also get to see another FOGS investment at the Christmas play, FOGS have purchased costumes that we will be able to use year after year. It really makes us a difference, so thank you!

Fundraising Success

We are delighted with the amount raised in our Mini London Marathon. The £204 donated has enabled us to twin our school toilets with a toilets in Honduras, Malawi and Zambia. The children will be having an assembly about the difference the donated toilets will make to people's everyday lives and we will be proudly displaying out "twin toilets" in the school toilets for the children to see.

Today's Children in Need celebrations have included creating spotty sticks and Pudsey faces in Forest school and making Pudsey bear faces in Class 1. We also managed to cover our entire Pudsey bear with coins!

Anti Bullying Week

This week has been an opportunity for some really meaningful discussions in Class 1 and 2 about how we talk to people and how we can be good friends and control our emotions. We have all signed the Greenhaugh Anti-Bullying Contract and thought carefully about the promises we are making. We know that things will go wrong at times, as we are learning, but this week has been a positive step across the school.
