School Class 2

Half term begins

Firefighter Visit

Class 1 had a visit from Bellingham Fire engine and some of the firefighters this week. They talked to the children about their jobs and some of the children and Mrs Ewen got to try on their protective clothing and boots. Class 2 joined with Class 1 to go and look at the Fire engine.

We were showed the different hoses and the jaws of life. We then all got to climb into the fire engine and see what it was like inside. Finally we got to use the hoses— they were very powerful! The children loved the visit— one of them commented that it was the best day of his life!

Ofsted Success

We celebrated our good Ofsted report with a photo for the Hexham Courant—the children are excited for our moment of fame! We really appreciate the support from all of you at home in making the school what it is.

Mini London Marathon

All children are going to take part in the mini London marathon in school during the month of October. We will run 2.6 miles over several days. We want to help ensure that our children have some awareness of what life can be like in other countries and so we would like to be sponsored for our run. All money we raise will be used to build a toilet in a country where some people are lacking basic sanitation. The toilet will be twinned with our toilets in school. We will send out sponsorship forms next week.

**WE ARE
TWINNING
OUR TOILETS**
