**26.10.23**

**Harvest Lunch— Parents invited, more details to follow and provisional date tbc.**

**27.10.23**

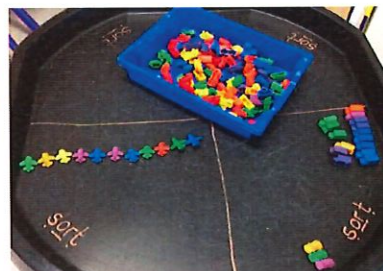

**Forest School**

**END of Half Term**

## Back to school!

We have had a lovely first two weeks back in school.

Mrs Ewen revamped the Class 1 classroom in the Summer, so Class 1 have spent time exploring and getting to know where things are (and where to put them back)! The new Reception children have settled in beautifully and are already confident members of the class. The children have been investigating numbers and thinking about place value in maths lessons. They have also enjoyed being outside, completing some Science investigations as part of their new topic.

Class 2 have really impressed Mrs Johnston with their conscientious and hard working attitude— they have also had lots of fun investigating light and starting their Geography work on rivers. I have loved hearing them recap the water cycle to me. They were great at remembering some challenging new vocabulary. They have also started an art project on sculpture.

## School Diaries—for recording Reading

We will put a message in your child's reading record every week, letting you know what reading they have done in school and sometimes suggesting types of questions you could ask them at home. Please write a note in the diary every time you read together. Regular reading makes a HUGE difference and we really appreciate your support.

## Clubs

PE Club will be running throughout the year and Singing Club will initially be running for this half term. We plan for Cookery and Art clubs to run in later terms. We will give more details so you can register interest in the next few weeks.

***As we share most information with you via Dojo, the Newsletter will be monthly this year.***
