What's been happening in Class 1 and 2?

We have been enjoying clubs in Class 1 and 2 this week. Science club was a great success! Children made lava lamps as they found out about the density of liquid.

In book club we have been sharing our favourite books from home and talking about why we like them and in PE club children have been enjoying developing their football skills and having a go at play-

Christmas Play

Rehearsals have started for the songs for our Christmas production. Following advice from the local authority we are limiting tickets to 2 per family (if you have younger children that you can hold on your knee they are welcome to attend too).

Tickets will be sent home next week. Please return any tickets that you don't need and they will be given to other families on a first come, first served basis.

The show will be at 2.15. There will be mince pies and mulled apple juice outside afterwards. You will be able to take your child home after the performance.
