Last day of half term.

10 ways to become a better reader...

Reading at home—Top tips!

Help your child with

reading

I spy

Play 'I Spy' games. Can you find words beginning with...? Can you find a picture of a ...? How many ... can you see?

Ask questions

Ask questions about the story as you read it e.g. What is the story about? Why do you think they made that choice? Was it a good choice? Why did that happen? What do you think will happen next? What was your favourite part of the story? Why?

Make it fun

Enjoy reading together. Give characters funny voices and engage with the pictures. Make a game out of finding words that rhyme or start with the same sound.

Be seen

Make sure you are seen reading. Keep books and magazines at easy reach.

Get out

Go to your public library regularly. Find the books you loved as a kid to read together.

Create

Use reading to inspire drawings or new stories.

Go online

Look online & in app stores for appropriate word & spelling games.

Make space

Have a special place or a certain time when you read together.

Read everything out loud.

Books, poems, nursery rhymes, newspaper & magazine articles, food labels...
anything that is close to hand!

Reading at home has a huge impact on the progress that your child makes with their reading in school. As well as listening to your child read it is great if you can read to them—this can be a way for them to access more complex texts and they will really enjoy cuddling up and sharing a story. Teachers will sometimes share suggestions for the types of questions you could ask your child when they read, but please get in contact if you would like some support with encouraging your child with their reading. Remember to write any reading in their diary so we can talk to them about it! Happy Reading!
