

Greenhaugh News

Attendance for the last 2 weeks: 88.8%
Our target is 96.5%

16/12/21

Dates for you diary

4/1/22 is an INSET day
– school is closed for children

5/1/22– Back to school

Thank you to everyone who has taken part in the Christmas reading challenge! It has been great to see all the reading stars on your trees!

Wishing you a very Happy Christmas !

We have had a busy last few weeks in school, with the Santa Dash, Christmas craft night, Christmas lunch and Christmas play. The children have showed that they are great performers and have loved hearing the comments on Dojo about their play. Lots of them said that they felt a bit nervous beforehand, but were really proud of themselves afterwards!

Parent Questionnaire

Thank you to those of you who have completed the parent questionnaire (if you haven't yet, it would be great if you could send it in after Christmas). We were really pleased to read so many positive comments and to hear that your children feel happy and safe at school. It was also good to hear that parents like the communication through Dojo. Parents were keen to know more about what their children are doing in school. We will be sending home an overview of Spring term learning in January and will include some practical suggestions for how you can support your child with this at home. Please let me know if there are any specific issues that I can help with.

Covid

I know that some of you are apprehensive about future lockdowns or school closures– we have been given no indication that this will happen, but please rest assured that if it does we will support you through a combination of Class Dojo, google classroom and paper resources (should you request them). We have had some experience this term of providing home learning and feedback from parents has been that it has worked well and engaged the children.
