Whole school trip to Hindu temple, Newcastle

10.3.23

Forest School Class 2

Safer Internet Day

Both Class 1 and Class 2 have talked about being safe online this week. The key message that we have tried to get across is that if they are unsure about anything online they need to ask/ show/ tell a grownup. It would be great if you could reinforce this message at home too.

Child net has some useful resources for parents, including a template for an online family agreement that you can use with your child.

Advice and resources to help talk about life online

Children's Mental Health Week

This week has been Children's Mental Health week. We have talked about it a little bit in class but will also address some issues around mental health during next weeks lessons. We will think about how the connections we have with classmates and adults can support our mental health and also try out some ways to relax –including yoga!

WORLD
**BOOK
DAY**

This year's world book day we will do activities around the Rob Biddulph book, Odd Dog out.

As part of the day we would like the children to come to school dressed up in a way that represents how wonderful and unique they are. It could be their favourite outfit, or colours, it could represent one of their hobbies or something they want to be when they grow up. The choice is theirs!
