January 2026

Our School Attendance target is 93.7%
Attendance for the last month is 98.1%
Attendance for the year is 99%

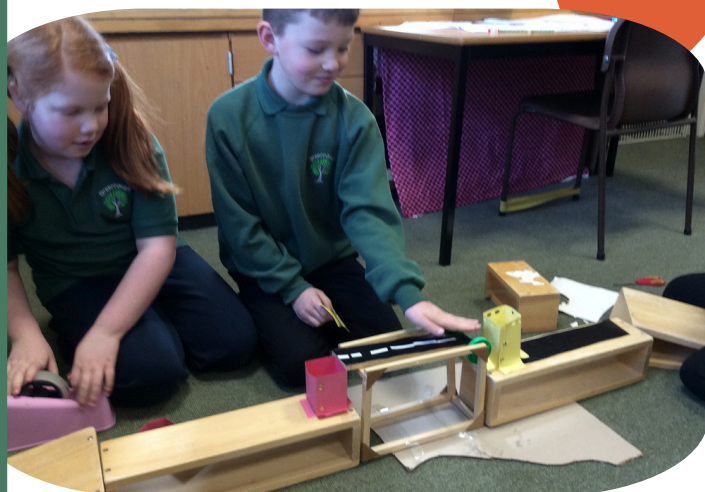

Class 1 round up

The children have had a busy start to the year with lots of learning taking place! We loved our work during Great North Week, learning about the bridges over the River Tyne and welcoming our adults into school to see the trains we designed and made. The Class 1 chill out zone is still the most popular area of our classroom. It was so lovely watching the children work together, communicate and problem solve to build it. The children have been fascinated by the birds who are eagerly gathering around our bird feeders, and we will be submitting our results for the RSPB Big Schools' birdwatch! The children are developing their understanding of the different animal groups and how we can identify them. We are now able to identify the coldest and hottest places on the planet and the children have been enjoying learning songs to help us name the continents of the world!

Class 2 round up

Class 2 have written their own news for the month. They say;
On the first week back we did a project on the bridges of Newcastle for our Great North Project. It was really fun as we made our own bridges. In Art we have been learning how to show movement through line and we looked at the art of Charlie Mackesey- He went to school in Hexham. In English we are learning about Shackleton's tough journey to Antarctica and the sinking of the Endurance. Their perseverance was brilliant!

The Greenhaugh Code

The children look forward to Celebration assembly each week. We remind ourselves of the Greenhaugh code- the values we want all children to have. We then talk about people who have managed to show some of those values over the week. We want people in school to be; kind, unique, ambitious, confident, resilient, respectful, curious, independent and team players.

Diary Dates

Forest school will run on alternate Fridays. The next one is Friday, 6th February

PE Club will be every Thursday until 4pm

10th February- Safer Internet Day

13th February- last day of half term
