2/11/21 Back to school

8/11/21 NSPCC PANTS day

15/11/21 Anti Bullying Week

## What's been happening in Class 1 and 2?

Class 1 have enjoyed having a Space themed classroom and taking part in lots of space and science themed activities. They especially enjoyed firing rockets and the visit from the Street Scientists. It has been lovely to see children taking on the role of scientist in the role play area!

In Art we have been learning about Picasso and had a go at making our own Picasso style portraits.

Class 2 loved tasting icecream space food during Space week and have also continued learning about the Egyptians. Mrs Crow was very impressed by all they knew about Egyptian gods. They have also started doing work around the text, The Owl who was afraid of the dark.

## Harvest Festival

Children and staff will walk to St Aidan's church next Friday to celebrate our Harvest Festival. We have been learning songs and writing poems to perform as part of our celebrations.

We would be very grateful for any contributions for the Hexham Food bank. They have particularly requested tinned vegetables, tinned fruit and biscuits.
