Our School Attendance target is 97%
Attendance for last 4 weeks is 97.3%

I wonder...

Our school is part of the North East Creativity Collaboratives network. As part of our work with them we are thinking about what makes us Creative. One of the things is being curious and wondering. In school we encourage children to ask questions and wonder why? Class 2 have been learning about Islam and wondering why Muslims fast at Ramadan. Class 1 have been wondering why Scott chose to go to the South Pole.

Class 1

Mrs Ewen writes: This month the children in Class 1 have been busy bees working super hard! In maths, reception have been developing their understanding of ways to make numbers up to 7, Year 1 have been learning about the place value of numbers up to 50 and Year 2 have started looking at a range of measurements and the units we use. They have all been producing some fantastic writing, which I'm sure you'll have noticed when you looked through their books at Parents' Evening. We are enjoying spotting the signs of spring during our science lessons and the children have shown a great interest in the adventures of Captain Scott and his journey to the South Pole. We have created awesome fridge magnets and also enjoyed a trip out to a multi-skills event held at Otterburn Primary school. Great work Class 1!

Class 2

Mrs Johnston writes; In Class 2, we love reading! We've been reading Shakespeare's Macbeth and have begun to think about setting the scene to turn the narrative of Macbeth into a playscript using adventurous vocabulary. We loved working together using evidence from the book to give reasons for our ideas, eg. 'Dark clouds stormed over the castle' and 'Torches cast shadows on the walls'. We're also well-absorbed in our new reading comprehension book, 'The Worries'.

We LOVED welcoming Mums and others who 'mother us' into school for a special lunch this month. We will be running a similar event for Fathers' Day so watch this space! We are also planning a school trip to St Mary's Lighthouse on June 6th and would love our families to join us.

Diary Dates

Singing Club is every Monday. PE club is every Wednesday. Forest CSchool is on alternate Fridays. The next Forest School is on Friday 26th April

Swimming will be on every Tuesday for 10 weeks, starting 16th April

16.5.24 Whole school trip to VARC

6.6.24 Whole school trip to St Mary's Lighthouse

10.6.24 Whole school trip to Simonburn for Fragile Earth Project

17.6.24 Fathers' Day lunch in school
