PE club is every Friday except 27th May

Cookery Club runs every Wednesday

Busy times at Greenhaugh

We have had an exciting few weeks at Greenhaugh.

Class 2 enjoyed a visit from the **Tyne Rivers Trust**, they looked at a huge model of the Tyne and investigated how we can help protect the river and

the land around it. They also took part in a **Golf morning** at Greenhaugh, attended by local schools. Mrs Horn was very proud of how well our children worked with others.

In Art this half term Class 2 are learning about local artist, **Mary Ann Rogers**. We wrote to her asking about how she paints and she came in to school and showed us!

Class 1 had a fantastic day at **Aydon castle**, looking at the features of castles and seeing how the building has changed over time. They loved exploring the castle and some children were even knighted!

Both classes have had their first **Forest school** sessions and loved them! They have beautifully complemented our Science work on Living things, as we have all looked at different plant and animal species and made bug hotels.
