Last day of term

It's a Baby!

Our Christmas Production

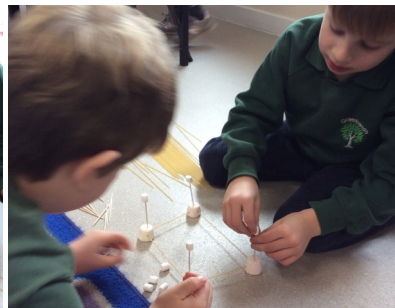

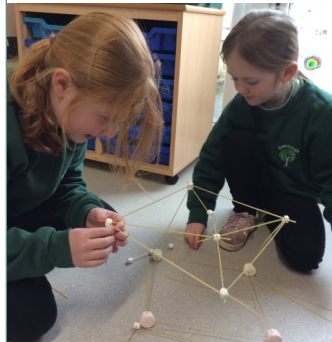

We have been rehearsing for our Christmas Play. The performance will be on 14th December at 6pm. Please bring your child back to school for 5.35 so we can get them in to their costume.

PE Club will not run on this day!

Following consultation with parents you are very welcome to take photos of the production, but we ask that you don't share photos of anyone else's child with someone else or on Social Media. We will ask you to sign an agreement to this when you attend the performance. We are looking forward to seeing you all there! Grandparents and friends are welcome too!

Science Club

The children have been enjoying Friday Science clubs this half term. This Friday they investigated structures, trying to build structures that were as tall as they could make them. They came up with some good ideas for making their structures strong and sturdy.

Its beginning to look a lot like Christmas!

Even Forest School is feeling Christmassy! Last week Class 2 made Willow stars. This week Class 1 enjoyed using tools to create twig Christmas trees and they had fun making dens for Elves!
